Help Keep Maui County Healthy**

Maui County Accommodation Guidelines

In partnering together for the safety of our guests and employees, Maui County is encouraging the following guidelines for hotel, condo and vacation rental operators:

1. Provide Marketing materials to arriving guests with information about voluntary testing, locations and operating hours
2. Provide for the safety of employees:
 - a. Weekly testing of employees
 - b. Provide employees the option of work areas where they will have no contact with guests
 - c. Health coverage and additional time off if employee tests positive
3. Work closely with the Hawaii State Department of Health Maui District Office for guests who test positive during their stay.
